Smyrna Rugs

—Best in quality, matchless in value, and when we say the best quality we mean the finest quality made in this country. The three standard makes are the Royal, Empress and Imperial. The goods we advertise are these 3 famous brands, not the cheap and worthless rugs you so often meet with at other stores. Quality considered, our prices

are the cheapest in the market to-day.

A Sale of Black Dress Goods.

Black Dress Goods are "staple as wheat"—the one thing in the dress goods business always worth 100 cents on the dollar. Our great-grandmother had a black dress, and our great-granddaughter will have one if she will have the price—and really, one cannot very well get along without one.

We are going to offer some wonderful values in Black Dress Goods Monday—wonderful because it's seldom that the price of this great staple is cut so deeply, and because all of the goods—the phenomenally low prices to the contrary notwithstanding—are strictly new and first class.
